

Which scent suits whom

A one-pager for conversations and for printing. Preference on the left, scent on the right, and between them the reason from the pyramid. No wearing reports, only notes.

If you like classic florals but not the heavy sweetness that usually comes with them	WHITE LIE	Jasmine and rose sit on a dry base of patchouli and vetiver.
If you like sweet scents that do not smell like icing sugar	SWEET DECADENCE	Vanilla and coconut are grounded by lavender in the opening and tonka in the base.
If you are looking for forest, resin and smoke	SMOKEY EMBER	Juniper, cypress and black spruce, with lemon and jasmine as the counterweight.
If you like warm spices and late hours	BLACK BOOK	Nutmeg and ginger at the start, frankincense and tonka at the finish.
If you do not want to choose between light and dark	BLACK BOOK	Wyld Notes sells Black Book and White Lie in the US shop as the His & Hers duo, expressly without assigning roles.
